

Puravankara launching luxury project in Rajajinagar

Puravankara Projects Limited is launching a luxury residential apartment project in Rajajinagar, Bangalore. Located in a prime area in central west Bengaluru, the project is just 1.4 km from the city railway station and about 2.7 km from the commercial hub. The project will have a little over 300 units of 2 and 3 bedrooms spread over an ambling 4 lakh square feet, 79% of which will be open area. The two bedroom apartments are between 1,200 and 1,408 sqft and

three bedroom apartments are 1,600 to 1,792 sq ft., with price around ₹7,000 per sq feet. Expected gross revenues from the project are in excess of ₹250 cr. As is the norm with Puravankara, the property comes with quality amenities befitting a luxury lifestyle including multi-purpose amenity hall, swimming pool, outdoor basket ball court, jogging track, gymnasium, outdoor children play area, etc. The project will also have two-level basement parking and high speed lifts.
