

Puravankara brings tropical experience to your doorstep in Bangalore

Purva Palm beach is oversubscribed by 3 times with over 1200 applications received

Bengaluru, March 11, 2014. Puravankara Projects Limited, a leading real estate developer in India, pre-launched Purva Palm Beach in Bangalore. Inspired and planned on the finest tropical beaches of the world, this apartment project is spread over 19.37 acres and promises to replicate the sights and sounds of the sea in Bangalore. The project saw an oversubscription of 3 times with over 1200 applications received as opposed to the units released for allocation during the initial pre-launch stage.

Puravankara adopted Book Building Method with a base price of Rs. 4,392/- offered customers an opportunity to book their dream home through a transparent price discovery mechanism. This well-priced offer also attracted about 20% of buyers from Mumbai, Delhi and Chennai without intensive marketing, which goes to say that unique projects always attract buyers despite constriction in the overall economy.

For the first time an apartment complex will have a 'Lagoon' at the centre of the project, a 'Wave pool' (***The only known residential project in India to have a Wave Pool***), white sand beaches, Snorkelling Pool, Koi Pond, Paw Park for pets, Sunken Bar, Hammocks, Beach Volleyball, Putting Green etc. Apart from the regular lifestyle amenities, The two culture clubs houses facilities like a Yoga Court, Cricket Pitch, Squash and Tennis Court, Jamming & Karaoke Room, Tinkering Studio, Science Club, Ballet Room & Lego Room, etc. These along with a host of other features make Purva Palm Beach a unique project in the country today.

Commenting on the pre-launch **Jackbastian Nazareth Group CEO** said, "Purva Palm Beach is a first of its kind theme based project located in Hennur. It's inspired by some of the finest tropical beaches in the world. Palm Beach is unlike any of the other 'Me Too' project offering the sameness in facilities/amenities; it offers a lifestyle where one can live life like it's a holiday. It is unique because it offers everything that a Luxurious Complex can offer but at a competitive price and in a prime location".

Situated in the fast developing northern region of Bangalore off Hennur Road, Purva Palm Beach offers buyers the option of 2 BHK and 3 BHK apartments with size ranging between 1232 to 1846 sqft.
