Audit Qualification					
a.	Details of audit qualification in respect of internal financial controls over financial reporting	"The Company did not have adequate internal financial controls over financial reporting with respect to supervisory and review controls of periodic reconciliation, including timely resolution thereof, of advance received from customers and vendor balances, primarily retention claims payable, to the subsidiary ledgers, which could potentially result in material misstatement in the value of the Company's trade payables and other current liabilities, prior period items and resultant impact on the profit after tax and the reserves and surplus."			
b.	Type of audit qualification	Qualified opinion on internal control over financial reporting			
c.	Frequency of audit qualification	First time			
d.	Management view	The above qualification is only pertaining to an internal financial control over financial reporting not designed adequately and operating effectively. It does not impact the reported financial results. The Company is in process of strengthening the aforesaid internal financial control.
