**INDEPENDENT AUDITORS' REPORT**

To the Members of  
Prudential Housing & Infrastructure Development Limited

We have audited the accompanying financial statements of Prudential Housing & Infrastructure Development Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required

by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the Loss for the year ended on that date; and;
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

<sup>1</sup> As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.

<sup>2</sup> As required by section 227(3) of the Act, we report that:

- a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c. the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956;
- e. on the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

f. Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.

## Notes to the Financial Statements

### 1 Significant accounting policies

#### a. Basis of preparation

The financial statements have been prepared on accrual basis under the historical cost convention and in accordance with the applicable accounting standards prescribed by Companies (Accounting Standards), Rules 2006. The accounting policies have been consistently applied unless otherwise stated.

#### b. Use of estimates

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from those estimates. Significant estimates used by management in the preparation of these financial statements include the percentage completion for projects in progress, estimates of the economic useful lives of the fixed assets, provisions for bad and doubtful debts and accruals for employee benefits.

#### c. Properties held for development

Properties held for development represents land acquired for future development and construction, and is stated at cost including the cost of land, the related costs of acquisition, borrowing cost and other costs incurred to get the properties ready for their intended use.

#### d. Fixed assets

Fixed assets are stated at cost less accumulated depreciation/amortization and impairment losses. Cost comprises the purchase price and any cost attributable to bringing the asset to its working condition for its intended use. Advances paid towards acquisition of fixed assets before the period end are classified as capital work in progress. Fixed assets purchased in foreign currency are recorded at the actual rupee cost incurred.

Expenditure directly relating to expansion is capitalized only if it increases the life or functionality of an asset beyond its original standard of performance.

#### e. Depreciation/amortization

Depreciation/amortization on fixed assets is provided on the straight-line method, using the rates specified in Schedule XIV to the Companies Act, 1956. Assets individually costing less than Rs. 5,000 are fully depreciated in the period of purchase.

#### f. Borrowing costs

Borrowing costs that are attributable to the acquisition and/or construction of qualifying assets are capitalized as part of the cost of such assets, in accordance with Accounting Standard 16 – "Borrowing Costs". A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred.

#### g. Impairment of assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

#### h. Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturity three months or less.

#### i. Foreign currency transactions

##### (a) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the respective transaction.

##### (b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried at terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange differences arising on a monetary item that, in substance, form part of company's net investment in a foreign

### **Notes to the Financial Statements**

#### *j. Tax expenses*

Tax expense comprises both current and deferred taxes. The current charge for income taxes is calculated in accordance with the relevant tax regulations. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realized.

#### *k. Earnings per share*

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential equity shares.

#### *l. Provisions and contingent liabilities*

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
