

INDEPENDENT AUDITOR'S REPORT

To the Members of Purva Realities Private Limited

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying financial statements of Purva Realities Private Limited ("the Company"), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) The Company has not paid any managerial remuneration to its directors during the year and hence provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2023;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any provision for material foreseeable losses;

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 26(v) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 26(vi) to the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

Re: Purva Realities Private Limited ("the Company")

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) The Company does not own any property, plant and equipment and intangible assets. Accordingly, the provisions of clause 3(i)(a)(A) and (B) of the Order are not applicable to the Company.
- (b) The Company does not own any property, plant and equipment. Accordingly, the provisions of clause 3(i)(b) of the Order are not applicable to the Company.
- (c) There is no immovable property held by the Company included in property, plant and equipment and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (d) The Company does not own any property, plant and equipment and intangible assets. Accordingly, the provisions of clause 3(i)(d) of the Order are not applicable to the Company.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder as disclosed in the note 26(i) to the financial statements.
- (ii) (a) Having regard to the nature of inventory comprising of work in progress of real estate project under development, the management has conducted physical verification of inventory by way of verification of title deeds, site visits and certification of extent of work completion, at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.
- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.
- (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

- (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.
- (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- (iv) Loans, investments, guarantees and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 ('the Act') are applicable have been complied with by the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) Since the provisions of Section 148(1) of the Act are not applicable to the Company, the requirements relating to report on clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) Undisputed statutory dues including goods and services tax, income-tax, duty of custom, cess and other statutory dues have generally been regularly deposited with the appropriate authorities though there have been slight delays in few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions relating to provident fund and employees' state insurance are not applicable to the Company.
- (b) There are no dues of goods and services tax, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, goods and service tax and other statutory dues which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year as disclosed in note 26(vii) to the financial statements. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) Term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

- (f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) and hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No material fraud by the Company or on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a,b and c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 188 of the Act, where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 of the Act are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order in so far as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) (a) The Company has implemented internal audit system on a voluntary basis which is commensurate with the size of the Company and nature of its business though it is not required to have an internal audit system under Section 138 of the Companies Act, 2013.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

- (d) There is no Core Investment Company as part of the Group, and hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has incurred cash losses amounting to Rs. 938.29 lakhs in the current year and amounting to Rs. 410.65 lakhs in the immediately preceding financial year respectively.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 25 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.
- We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of section 135 of the Act in relation to Corporate Social Responsibility is not applicable to the Company. Accordingly, the requirement to report on clause 3(xx)(a) and (b) of the Order is not applicable to the Company.

Annexure '2' referred to in paragraph under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: Purva Realities Private Limited ("the Company")

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Purva Realities Private Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to these Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

1. Corporate information

Purva Realities Private Limited (the 'Company') was incorporated on May 10, 2006 under the provisions of the Companies Act applicable in India ("Act"). The registered office is located at 130/1, Ulsoor Road, Bangalore, Karnataka 560042, India. The Company is engaged in the business of real estate development.

The Company has incurred losses of Rs. 700.68 lakhs (March 31, 2022: losses of Rs. 307.30 lakhs) for the year ended March 31, 2023, and it has accumulated losses of Rs.1,017.85 lakhs (March 31, 2022: Rs. 317.17 lakhs) against equity capital of Rs.1 lakh as at March 31, 2023 (March 31, 2022: Rs.1 lakh). The Company is in the initial phase of its operations and in the process of executing a real estate project. Further, Puravankara Limited, the holding company is committed to provide financial and operational support to the Company for its profitable operations in the foreseeable future.

The financial statements were authorized for issue in accordance with a resolution of the Board of Directors on May 24, 2023.

2. Significant accounting policies

2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and the Companies (Accounts) Rules, 2014, as amended, and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), as applicable to the financial statements.

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.2 Summary of significant accounting policies

(a) Use of estimates

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities. The effect of change in an accounting estimate is recognized prospectively.

(b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has evaluated and considered its operating cycle as four years for the purpose of current and non-current classification of assets and liabilities.

Deferred tax assets/ liabilities are classified as non-current assets/ liabilities.

(c) Impairment

A. Financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

B. Non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(d) Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized/inventorised as part of the cost of the respective asset. All other borrowing costs are charged to statement of profit and loss.

The Company treats as part of general borrowings any borrowing originally made to develop a qualifying asset when substantially all of the activities necessary to prepare that asset for its intended use or sale are complete.

(e) Inventories

Direct expenditure relating to real estate activity is inventorised. Other expenditure (including borrowing costs) during construction period is inventorised to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the statement of profit and loss. Direct and other expenditure is determined based on specific identification to the real estate activity.

i. Work-in-progress: Represents cost incurred in respect of unsold area (including land) of the real estate development projects or cost incurred on projects where the revenue is yet to be recognized. Work-in-progress is valued at lower of cost and net realizable value.

ii. Finished goods - Stock of Flats: Valued at lower of cost and net realizable value.

iii. Raw materials, components and stores: Valued at lower of cost and net realizable value. Cost is determined based on FIFO basis.

iv. Land stock: Valued at lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(f) Land

Advances paid by the Company to the seller/ intermediary toward outright purchase of land is recognized as land advance under other assets during the course of obtaining clear and marketable title, free from all encumbrances and transfer of legal title to the Company, whereupon it is transferred to land stock under inventories/ capital work in progress.

(g) Revenue recognition

i) Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other credits, if any, as specified in the contract with the customer. The Company presents revenue from contracts with customers net of indirect taxes in its statement of profit and loss.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer, if any.

Revenue from real estate development of residential or commercial unit is recognised at the point in time, when the control of the asset is transferred to the customer.

Revenue consists of sale of undivided share of land and constructed area to the customer, which have been identified by the Company as a single performance obligation, as they are highly interrelated/ interdependent.

The performance obligation in relation to real estate development is satisfied upon completion of project work and transfer of control of the asset to the customer.

For contracts involving sale of real estate unit, the Company receives the consideration in accordance with the terms of the contract in proportion of the percentage of completion of such real estate project and represents payments made by customers to secure performance obligation of the Company under the contract enforceable by customers. Such consideration is received and utilised for specific real estate projects in accordance with the requirements of the Real Estate (Regulation and Development) Act, 2016. Consequently, the Company has concluded that such contracts with customers do not involve any financing element since the same arises for reasons explained above, which is other than for provision of finance to/from the customer.

Further, for projects executed through joint development arrangements not being jointly controlled operations, wherein the land owner/possessor provides land and the Company undertakes to develop properties on such land and in lieu of land owner providing land, the Company has agreed to transfer certain percentage of constructed area or certain percentage of the revenue proceeds, the revenue from the development and transfer of constructed area/revenue sharing arrangement in exchange of such development rights/ land is being accounted on gross basis on launch of the project. Revenue is recognised over time using input method, on the basis of the inputs to the satisfaction of a performance obligation relative to the total expected inputs to the satisfaction of that performance obligation.

The revenue is measured at the fair value of the land received, adjusted by the amount of any cash or cash equivalents transferred. When the fair value of the land received cannot be measured reliably, the revenue is measured at the fair value of the estimated construction service rendered to the land owner, adjusted by the amount of any cash or cash equivalents transferred. The fair value so estimated is considered as the cost of land in the computation of percentage of completion for the purpose of revenue recognition as discussed above.

Contract balances:

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Cost to obtain a contract:

The Company recognises as an asset the incremental costs of obtaining a contract with a customer if the Company expects to recover those costs. The Company incurs costs such as sales commission when it enters into a new contract, which are directly related to winning the contract. The asset recognised is amortised on a systematic basis that is consistent with the transfer to the customer of the goods or services to which the asset relates.

ii) Interest income

Interest income, including income arising from other financial instruments measured at amortised cost, is recognised using the effective interest rate method.

iii) Dividend income

Revenue is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

(h) Foreign currency translation

Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

Foreign currency transactions and balances

i) Initial recognition - Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii) Conversion - Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Purva Realities Private Limited

CIN: U45202KA2006PTC039259

Notes to Financial Statements for the year ended March 31, 2023

(All amounts in Indian Rs. Lakhs, unless otherwise stated)

iii) Exchange differences - The Company accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as income or as expense in the period in which they arise.

(i) Retirement and other employee benefits

The provisions of the Employees' Provident Funds & Miscellaneous Provisions Act, 1952 and Employees' State Insurance Act, 1948, Payment of Gratuity Act, 1972 etc. are not applicable to the Company as the number of employees are less than the minimum required employees under the said acts.

(j) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year.

Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

i. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

ii. Deferred income tax

Deferred income tax is recognized using the balance sheet approach, deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

(k) Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses it in the financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

(l) Financial Instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value at initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability, except for transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss which are immediately recognized in statement of profit and loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

i. Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the

financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. Investments in debt instruments have been measured at fair value through profit or loss.

iii. Debt instruments at amortized cost

Investment in debt instrument is measured at fair value through profit and loss.

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

iv. De-recognition of financial asset

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

v. Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts. The subsequent measurement of financial liabilities depends on their classification, which is described below.

vi. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

vii. Financial liabilities at amortized cost

Financial liabilities are subsequently measured at amortized cost using the effective interest ('EIR') method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

viii. De-recognition of financial liability

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

ix. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

► Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

► Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

► Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(m) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(n) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

2.3 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these judgments, assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In the process of applying the Company's accounting policies, management makes judgement, estimates and assumptions which have the most significant effect on the amounts recognized in the financial statements.

The key judgements, estimates and assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its judgements, assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i) *Revenue from contracts with customers*

The Company applied the following judgements that significantly affect the determination of the amount and timing of revenue from contracts with customers:

a) *Identification of performance obligation*

Revenue consists of sale of undivided share of land and constructed area to the customer, which have been identified by the Company as a single performance obligation, as they are highly interrelated/ interdependent. In assessing whether performance obligations relating to sale of undivided share of land and constructed area are highly interrelated/ interdependent, the Company considers factors such as:

- whether the customer could benefit from the undivided share of land or the constructed area on its own or together with other resources readily available to the customer.
- whether the entity will be able to fulfil its promise under the contract, to transfer the undivided share of land without transfer of constructed area or transfer the constructed area without transfer of undivided share of land.

b) *Timing of satisfaction of performance obligation*

Revenue from sale of real estate units is recognised when (or as) control of such units is transferred to the customer. The entity assesses timing of transfer of control of such units to the customers as transferred over time if one of the following criteria are met:

- The customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs.
- The entity's performance creates or enhances an asset that the customer controls as the asset is created or enhanced.
- The entity's performance does not create an asset with an alternative use to the entity and the entity has an enforceable right to payment for performance completed to date.

If control is not transferred over time as above, the entity considers the same as transferred at a point in time.

For contracts where control is transferred at a point in time the Company considers the following indicators of the transfer of control of the asset to the customer:

- When the entity obtains a present right to payment for the asset.
- When the entity transfers legal title of the asset to the customer.
- When the entity transfers physical possession of the asset to the customer.
- When the entity transfers significant risks and rewards of ownership of the asset to the customer.
- When the customer has accepted the asset.

The aforesaid indicators of transfer of control are also considered for determination of the timing of derecognition of investment property.

c) *Significant financing component*

For contracts involving sale of real estate unit, the Company receives the consideration in accordance with the terms of the contract in proportion of the percentage of completion of such real estate project and represents payments made by customers to secure performance obligation of the Company under the contract enforceable by customers. Such consideration is received and utilised for specific real estate projects in accordance with the requirements of the Real Estate (Regulation and Development) Act, 2016. Consequently, the Company has concluded that such contracts with customers do not involve any financing element since the same arises for reasons explained above, which is other than for provision of finance to/from the customer.

ii) *Estimation of net realizable value for inventory and land advance*

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV for completed inventory property is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified by the Company for properties in the same geographical market serving the same real estate segment.

NRV in respect of inventory property under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

Purva Realities Private Limited

CIN: U45202KA2006PTC039259

Notes to Financial Statements for the year ended March 31, 2023

(All amounts in Indian Rs. Lakhs, unless otherwise stated)

With respect to land inventory and land advance given, the net recoverable value is based on the present value of future cash flows, which depends on the estimate of, among other things, the likelihood that a project will be completed, the expected date of completion, the discount rate used and the estimation of sale prices and construction costs.

iii) Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

iv) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and market risk. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

v) Measurement of financial instruments at amortized cost

Financial instrument are subsequently measured at amortized cost using the effective interest ('EIR') method. The computation of amortized cost is sensitive to the inputs to EIR including effective rate of interest, contractual cash flows and the expected life of the financial instrument. Changes in assumptions about these inputs could affect the reported value of financial instruments.

vi) Provision for litigations and contingencies

Provision for litigations and contingencies is determined based on evaluation made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgements around estimates the ultimate outcome of such past events and measurement of the obligation amount. Due to judgements involved in such estimation the provision is sensitive to the actual outcome in future periods.

vii) Deferred tax assets

Deferred tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, which involves judgements around estimation of future taxable profit. Due to judgements involved in such estimation, the same is sensitive to the actual outcome in future periods.

	March 31, 2023	March 31, 2022
3 Deferred tax assets (net)		
Deferred tax asset arising on account of :		
Deferred tax on losses	337.42	106.35
Impact of expenditure charged to the statement of profit and loss in a year but allowed for tax purposes in subsequent years	5.29	-
	<u>342.71</u>	<u>106.35</u>
Reconciliation of deferred tax assets/ (liabilities) (net)		
Net deferred tax asset at the beginning of the year	106.35	3.00
Tax income/(expense) during the year recognized in profit and loss	236.67	103.35
Tax income/(expense) during the year recognized in OCI	(0.31)	-
	<u>342.71</u>	<u>106.35</u>
Net deferred tax asset at the end of the year	<u>342.71</u>	<u>106.35</u>
The unused tax losses can be carried forward for a maximum period of eight assessment years immediately succeeding the assessment year in which the loss was first computed and would expire if not utilised starting from financial year 2027-28 to 2030-31.		
The major components of income tax expense for the years ended March 31, 2023 and March 31, 2022 are:		
Statement of profit and loss:		
Profit or loss section:		
Current tax:		
Current income tax charge	-	-
Deferred tax:		
Relating to origination/ reversal of deferred tax		
> Decrease/(increase) in deferred tax assets	(236.67)	(103.35)

b. Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except interim dividend.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts, if any. The distribution will be in proportion to the number of equity shares held by the shareholders.

20 Fair value measurements

The fair value of the financial assets and liabilities is determined as the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values

>The management assessed that the carrying values of cash and cash equivalents, trade payables, and other financial assets and liabilities (as listed below) approximate their fair values largely either due to their short-term maturities.

> The management assessed that the carrying values of borrowings and other financial assets and liabilities approximate their fair values based on cash flow discounting using parameters such as interest rates, tenure of instrument, creditworthiness of the customer and the risk characteristics of the financed project, as applicable

These financial assets and financial liabilities as summarised below are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs as explained above. There have been no transfers between levels during the year

Break up of financial assets/liabilities measured at amortised cost:

Financial assets :

Trade receivables	6	1,215.36	-
Cash and cash equivalents	7	4,199.11	323.60
		<u>5,414.47</u>	<u>323.60</u>

Financial liabilities :

Non-current borrowings	11(a)	6,392.30	4,145.92
Current borrowings	11(b)	-	2,278.98
Trade payable	13	529.44	419.51
		<u>6,921.74</u>	<u>6,844.41</u>

21 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade receivables, cash and bank balances and other receivables that derive directly from its operations.

The Company's activities expose it to market risk, liquidity risk and credit risk.

The Company's management oversees the management of these risks and ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a. Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments if a counterparty default on its obligations. Credit risk arises from cash and cash equivalents, trade receivables and deposits with banks and financial institutions.

The allowance for expected credit loss for current and previous years is Nil.

b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and also generating cash flow from operations.

Management monitors the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows and maintaining debt financing plans.

The break-up of cash and cash equivalents is as detailed in note 07.

Maturities of financial liabilities

The tables below analyze the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

March 31, 2023	Less than 1 year	1 year to 4 years	4 years and above	Total
Financial liabilities - current				
Trade payables	529.44	-	-	529.44
Financial liabilities - Non current				
Borrowings*	-	-	12,771.25	12,771.25
TOTAL	529.44	-	12,771.25	13,300.69
March 31, 2022	Less than 1 year	1 year to 4 years	4 years and above	Total
Financial liabilities - current				
Borrowings*	-	5,013.76	-	5,013.76
Trade payables	418.88	-	-	418.88
Financial liabilities - Non current				
Borrowings*	-	-	6,945.90	6,945.90
TOTAL	418.88	5,013.76	6,945.90	12,378.54

*including interest expected to be paid over the balance maturity period.

c. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real-estate risk.

Interest rate risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in interest rate. The entity's exposure to the risk of changes in interest rates relates primarily to the entity's operating activities (when receivables or payables are subject to different interest rates) and the entity's net receivables or payables.

The Company is affected by the price volatility of certain commodities/ real estate. Its operating activities require the ongoing development of real estate. The Company's management has developed and enacted a risk management strategy regarding commodity/ real estate price risk and its mitigation. The Company is subject to the price risk variables, which are expected to vary in line with the prevailing market conditions.

Interest rate sensitivity:

The Company's borrowings are carried at amortised cost and no possible change in interest rates are expected. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates. Also refer note 11 for details of terms of borrowings.

22 Capital Management

The Company's objectives when managing capital are to maximise returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt comprises current and non-current borrowings less cash and cash equivalents. Total equity comprises equity share capital and other equity.

Particulars

	March 31, 2023	March 31, 2022
Non-current borrowings	6,392.30	4,145.92
Current borrowings	-	2,278.98
Less: Cash and cash equivalents	(4,199.11)	(323.60)
Net debt	2,193.19	6,101.30
Total equity	(1,016.84)	(316.17)
Gearing ratio	(2.16)	(19.30)

No changes were made in the objectives, policies or processes for managing capital during the current and previous years.

Melmont Construction Private Limited	-	789.46	-	560.00

(3) The related parties balances as at the year-end are as follows:

Particulars	As at March 31, 2023		As at March 31, 2022	
	Holding Company	Fellow Subsidiary	Holding Company	Fellow Subsidiary
Loans taken				
Puravankara Limited	1,535.45	-	2,278.98	-
Melmont Construction Private Limited	-	4,856.85	-	4,145.92
Advances to supplier				
Puravankara Limited	61.66	-	-	-
Propmart Technologies Limited	-	33.93	-	-
Trade Payable				
Propmart Technologies Limited	-	3.79	-	-
Provident Housing Limited	-	56.94	-	1.85

(4) The Company has mortgaged its inventories and also provided corporate guarantee towards debentures amounting to Rs. 23,081.23 lakhs issued by the Melmont Construction Private Limited ('fellow subsidiary') during the year ended March 31, 2021 and outstanding as at March 31, 2023.

(5) Other information:

1. Outstanding balances at the year-end are unsecured and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables, other than those disclosed above. The Company has not recorded any provision/write-off of receivables relating to amounts owed by related parties.

2. In respect of the transactions with the related parties, the Company has complied with the provisions of Section 188 of the Companies Act, 2013 ('the Act'), and the details have been disclosed above, as required by the applicable accounting standards. The provisions of section 177 of the Act are not applicable to the Company.

24 Defined benefit plan - Gratuity

The Company has gratuity as defined benefit retirement plan for its employees. The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity at the rate of 15 days basic salary for each year of service until the retirement age. The plan is unfunded.

The following tables set out the funded status of gratuity plans and the amount recognized in Company's financial statements:

I. The amounts recognized in the Balance Sheet are as follows:

Present value of the obligation as at the end of the year
Non-current
Current

March 31, 2023	March 31, 2022
18.21	-
16.99	-
1.22	-

II. Changes in the present value of defined benefit obligation

Defined benefit obligation as at beginning of the year
Service cost
Interest cost
Actuarial (gain)/loss, net
- change in demographic assumptions
- change in financial assumptions
- experience variance (i.e. Actual experiences assumptions)
Benefits paid
Others
Defined benefit obligation as at the end of the year

-	-
2.07	-
0.93	-
-	-
0.86	-
(2.11)	-
16.46	-
18.21	-

Assumptions used in the above valuations are as under:

Discount rate
Further salary increase
Attrition rate

7.45%	7.60%
7.00%	6.00%
6.00%	6.00%

III. Net gratuity cost for the year comprises of following components.

Service cost
Net interest cost on the defined benefit liability
Loss

2.07	-
0.93	-
3.00	-

IV. Other Comprehensive Income

Change in demographic assumptions
Change in financial assumptions
Experience variance (i.e. Actual experience vs assumptions)
Total re-measurement gains/ (losses) on defined benefit plans included in Other Comprehensive Income

-	-
0.86	-
(2.11)	-
(1.25)	-

V. Experience adjustments

Defined benefit obligation as at the end of the year
Experience adjustments on plan liabilities

18.21	-
(2.11)	-

VI. Sensitivity Analysis

A quantitative sensitivity analysis for significant assumption for Gratuity plan is as shown below:

Assumptions	March 31, 2023		March 31, 2022	
	Discount rate		Discount rate	
Sensitivity level	(1.0%)	1.0%	-	-
Impact on defined benefit obligation (Rs. Lakhs)	0.86	(0.78)	-	-
% change compared to base due to sensitivity	4.7%	(4.3%)	-	-

Assumptions	Further salary increase		Further salary increase	
	(1.0%)		1.0%	
Sensitivity level	(0.79)	0.85	-	-
Impact on defined benefit obligation (Rs. Lakhs)	(4.4%)	4.7%	-	-
% change compared to base due to sensitivity	(4.4%)	4.7%	-	-

Assumptions	Attrition rate		Attrition rate	
	(1.0%)		1.0%	
Sensitivity level	0.14	(0.14)	-	-
Impact on defined benefit obligation (Rs. Lakhs)	0.8%	(0.7%)	-	-
% change compared to base due to sensitivity	0.8%	(0.7%)	-	-

Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

VII. Effect of Plan on Entity's Future Cash Flows

Maturity profile of the defined benefit obligation
Within the next 12 months
Between 2 and 5 years
More than 5 years
Total expected payments

March 31, 2023	March 31, 2022
1.22	-
12.79	-
13.66	-
27.67	-

25 Financial Ratios

a	Ratio	Current ratio		
	Numerator	Current Assets		
	Denominator	Current Liabilities		
	Ratios/Measures		March 31, 2023	March 31, 2022
	Current Assets (A)		16,519.81	6,751.80
	Current Liabilities (B)		11,477.86	3,028.40
	Current Ratio (C) = (A) / (B)		1.44	2.23
	% of change from previous year		-35.44%	
	The ratio has changed mainly due to higher increase in current liabilities compared to increase in current assets.			
b	Ratio	Debt Equity ratio		
	Numerator	Total Debt		
	Denominator	Shareholder's Equity		
	Ratios/Measures		March 31, 2023	March 31, 2022
	Total Debt (A)		6,392.30	6,424.90
	Shareholder's Equity (B)		(1,016.84)	(316.17)
	Debt Equity ratio (C) = (A) / (B)		-6.29	-20.32
	% of change from previous year		-69.06%	
	The ratio has changed mainly due to increase in shareholders equity compared to previous year.			
c	Ratio	Debt Service Coverage ratio		
	Numerator	Earnings available for debt service		
	Denominator	Debt service		
	Ratios/Measures		March 31, 2023	March 31, 2022
	Loss before tax (A)		(938.28)	(410.65)
	Add: Non cash operating expenses and finance cost			
	Finance costs (B)		991.38	702.47
	Earnings available for debt services (C) = (A)+(B)		53.10	291.82
	Finance costs (D)		991.38	702.47
	Repayment of non-current borrowings (E)		943.00	-
	Debt service (F) = (D) + (E)		1,934.38	702.47
	Debt service coverage ratio (G) = (C) / (F)		0.03	0.42
	% of change from previous year		-93.39%	
	The ratio has changed mainly due to increase in finance costs and repayment of borrowing compared to previous year.			
d	Ratio	Return on equity ratio		
	Numerator	Profit after tax		
	Denominator	Average shareholders' equity		
	Ratios/Measures		March 31, 2023	March 31, 2022
	Loss after tax (A)		(701.61)	(307.30)
	Closing Shareholders Equity (B)		(1,016.84)	(316.17)
	Average shareholder's equity [(Opening + Closing)/2] (C)		(666.51)	(162.52)
	Return on equity ratio (D) = (A) / (C)		1.05	1.89
	% of change from previous year		-44.33%	
	The ratio has changed mainly due to change in shareholders equity compared to previous year.			
e	Ratio	Trade payable turnover ratio		
	Numerator	Total purchases		
	Denominator	Average trade payables		
	Ratios/Measures		March 31, 2023	March 31, 2022
	Total purchases (A)		2,616.94	1,341.33
	Closing trade payables		529.44	419.51
	Average Trade Payables [(opening + closing) /2] (B)		474.48	212.97
	Trade payables turnover ratio (C) = (A) / (B)		5.52	6.30
	% of change from previous year		-12.43%	
f	Ratio	Return on capital employed		
	Numerator	Earning before interest and taxes		
	Denominator	Capital Employed (Total equity and Total borrowings)		
	Ratios/Measures		March 31, 2023	March 31, 2022
	Loss after tax (A)		(701.61)	(307.30)
	Adjustments:-			
	Add: Total tax expenses (B)		(236.67)	(103.35)
	Add: Finance cost (C) (net of amount inventorised)		-	-
	Earnings before Interest and tax (D) = (A) + (B) + (C)		(938.28)	(410.65)
	Total Equity (E)		(1,016.84)	(316.17)
	Total borrowings (F)		4,856.85	6,424.90
	Capital Employed (G) = (E) + (F)		3,840.01	6,108.73
	Return on capital employed (G) = (D) / (G)		(0.24)	(0.07)
	% of change from previous year		263.48%	
	The ratio has changed mainly due to increase in losses compared to previous year.			

Notes :

Inventory turnover ratio, Net capital turnover ratio Trade receivable turnover ratio, Net profit ratio and Return on investment are not applicable to the Company

26 Other Statutory Information

- (i) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder
- (ii) The Company does not have any transactions with companies struck off under section 248 of Companies Act, 2013 or section 560 of Companies Act, 1956.
- (iii) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- (iv) The Company has not traded or invested in Cryptocurrency transactions or Virtual Currency during the financial year.
- (v) No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (vi) No funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirect lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (viii) The Company is not a declared wilful defaulter by any bank or financial institution or any other lender.

27 Revenue from contracts with customers:

27.1 Contract balances

	March 31, 2023	March 31, 2022
Trade receivables	1,215.36	-
Contract liabilities - deferred revenue	10,056.36	289.44

Trade receivables are generally on credit terms of upto 30 days.

Contract liabilities represents transaction price allocated to unsatisfied performance obligations. The outstanding balances of these accounts have increased primarily on account of increase in billings for the project.

27.2 Performance obligations

Aggregate amount of the transaction price allocated to the performance obligations that are unsatisfied as of the end of the reporting period *

Revenue to be recognised at a point in time	29,149.71	8,811.90
Revenue to be recognised over time	722.59	-

* The entity expects to satisfy the performance obligations when (or as) the underlying real estate projects to which such performance obligations relate are completed. Such real estate projects are under development and are expected to be completed in the coming periods of upto four years.

27.3 Assets recognised from the costs to obtain or fulfil a contract with a customer

	March 31, 2023	March 31, 2022
Inventories		
- Work-in-progress*	7,037.16	1,413.87
Prepaid expenses (represents brokerage costs pertaining to sale of real estate units)	538.46	-

*Represents work-in-progress towards existing customer contracts

b. Contingent liabilities

Contingent liabilities towards pending litigations

March 31, 2023	March 31, 2022
Nil	Nil

29 The Company's business activities fall within a single reportable segment, i.e. real estate development. Hence, there are no additional disclosures to be provided under Ind-AS 108 - Segment information with respect to the single reportable segment, other than those already provided in the financial statements.

The Company is domiciled in India and all the non-current assets of the Company are located in India.

30 Unhedged foreign currency exposure

March 31, 2023	March 31, 2022
Nil	Nil

31 Standards issued but not yet effective

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective from 01 April 2023.

(i) Definition of Accounting Estimates - Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments are effective for annual reporting periods beginning on or after 1 April 2023 and apply to changes in accounting policies and changes in accounting estimates that occur on or after the start of that period.

(ii) Disclosure of Accounting Policies - Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments to Ind AS 1 are applicable for annual periods beginning on or after 1 April 2023. Consequential amendments have been made in Ind AS 107.

(iii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences.

The amendments should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability should also be recognised for all deductible and taxable temporary differences associated with leases and decommissioning obligations. Consequential amendments have been made in Ind AS 101. The amendments to Ind AS 12 are applicable for annual periods beginning on or after 1 April 2023.

The Company is currently assessing the impact of the amendments.
