## Independent Auditors' Report

### The Board of Directors Puravankara Projects Limited

1. We have audited the accompanying condensed consolidated financial statements of **Puravankara Projects Limited** (the 'Company'), its subsidiaries and associates (collectively referred to as 'the Group'), which comprise the Condensed Consolidated Balance Sheet as at 31 December 2011, the Condensed Consolidated Profit and Loss Account for the quarter and nine month ended on that date, and Consolidated Cash Flow Statement for the nine month ended on that date, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Consolidated Financial Statements

2. Management is responsible for the preparation of these financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these condensed consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

6. We did not audit the financial statements of certain consolidated entities, whose financial statements reflect total assets (after eliminating intra-group transactions) of ₹ 2,371,870,780 as at 31 December 2011, the total revenue (after eliminating intra-group transactions) of ₹44,556,699 for the quarter and ₹ 230,116,432 for the nine month ended on that date and cash flows amounting to ₹ 1,011,514 for the nine month ended on that date. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion is based solely on the report of other auditors. We did not audit the financial statements of associates whose financial statements reflect the Company's share of profit/ (loss) of ₹ 5,262,514 for the quarter and ₹ (18,892,954) for the nine month ended on that date included in these condensed consolidated financial statements. These financial statements have not been audited by other auditors.

7. We report that the condensed consolidated financial statements have been prepared by the Company's management in accordance with the requirements of Accounting Standard ('AS') 21, Consolidated Financial Statements, AS 23, Accounting for Investments in Associates in Consolidated Financial Statements and AS 25, Interim Financial Reporting notified pursuant to the Companies (Accounting Standards) Rules, 2006.
8. Based on our audit and on consideration of reports of other auditors on separate financial statements and on the other financial information of the components, and to the best of our information and according to the explanations given to us, the condensed consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - i) in the case of the condensed consolidated Balance Sheet, of the state of affairs of the Company as at 31 December 2011;
  - ii) in the case of the condensed consolidated Profit and Loss Statement, of the profit for the quarter and nine month ended on that date; and
  - iii) in the case of the condensed consolidated Cash Flow Statement, of the cash flows for the nine month ended on that date.

## Notes to the Condensed Consolidated Financial Statements

### 1. Significant Accounting Policies

#### **a. Basis of preparation**

The condensed financial statements have been prepared on accrual basis under the historical cost convention and in accordance with the applicable accounting standards prescribed by Companies (Accounting Standards), Rules 2006. The accounting policies have been consistently applied unless otherwise stated.

#### **b. Use of estimates**

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Group to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from those estimates. Significant estimates used by management in the preparation of these financial statements include the percentage completion for projects in progress, estimates of the economic useful lives of the fixed assets, provisions for bad and doubtful debts and accruals for employee benefits.

#### **c. Basis of consolidation**

Subsidiaries are all entities over which the Company has the power to control the financial and operating policies. The Company obtains and exercises control through voting rights. The consolidated financial statements of the Group incorporate the financial statements of the Company as well as those entities controlled by the Company. The consolidated financial statements have been combined on a line-by-line basis by adding the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances/transactions and resulting unrealized profits in full. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the balance sheet of the parent company and its share in the post-acquisition increase in the relevant reserves of the consolidated entity.

Associates are those entities over which the Company is able to exercise significant influence but which are neither subsidiaries nor interests in a joint venture. Investments in associates are initially recognized at cost and subsequently accounted for using the equity method.

Consolidated financial statements are prepared using uniform accounting policies across the Group.

#### **d. Revenue recognition**

##### *Revenues from projects*

Revenue from the sale of properties is recognized when the significant risks and rewards of ownership have been transferred to the customer, which coincides with the entering into a legally binding agreement.

Revenue from sale of undivided share of land (UDS) in qualifying projects where the risks and rewards on the sale of the UDS are separable from the risks and rewards on the construction contract is recognised upon the transfer of all significant risks and rewards of ownership of such real estate, as per the terms of the contracts entered into with the buyers, which coincides with the firming of the sales contracts/ agreements and a minimum level of collection of dues from the customer.

Revenue from the sale of UDS on other projects where the risk and rewards on the sale of the UDS are not separable from the construction contracts and therefore do not qualify above are recognised on the percentage of completion method.

Contract revenues represent the aggregate amounts of sale price for agreements entered into and are accrued based on the percentage that the actual construction costs incurred until the reporting date bears to the total estimated construction costs to completion. Land costs are not included for the purposes of computing the percentage of completion.

Contract costs include the estimated construction, development, proportionate land cost and other directly attributable costs of the projects under construction. Losses expected to be incurred on projects in progress, are charged to the profit and loss account in the period in which these losses are known.

The estimates for saleable area and contract costs are reviewed by management periodically and the cumulative effect of the changes in these estimates, if any, are recognized in the period in which these changes may be reliably measured.

Cost and recognized profits to date in excess of progress billings on construction projects in progress are disclosed under Properties Under Development (a current asset). Where the progress billings exceed the costs and recognized profits to date on projects under construction, the same is disclosed as Advances Received From Customers, (a current liability). Any billed amount that has not been collected is disclosed under Trade Debtors and is net of any provision for amounts doubtful of recovery.

##### *Rental income*

Income from rentals is recognized on a straight line basis over the primary, non-cancellable, period of the arrangement.

##### *Interior Income*

Interior income is recognized as and when the services are rendered, at rates agreed upon with customers.

**e. Properties held for sale**

Completed properties held for sale are stated at the lower of cost and net realizable value. Cost includes cost of land, construction related overhead expenditure and borrowing costs and other costs incurred during the period of development.

**f. Properties held for development**

Properties held for development represents land acquired for future development and construction, and is stated at cost including the cost of land, the related costs of acquisition, borrowing cost and other costs incurred to get the properties ready for their intended use.

**g. Fixed assets**

Fixed assets are stated at cost less accumulated depreciation and impairment losses. Cost comprises the purchase price and any cost attributable to bringing the asset to its working condition for its intended use. Advances paid towards acquisition of fixed assets before the period end are classified as capital work in progress. Fixed assets purchased in foreign currency are recorded at the actual rupee cost incurred.

Expenditure directly relating to expansion is capitalized only if it increases the life or functionality of an asset beyond its original standard of performance.

**h. Depreciation**

Depreciation on fixed assets is provided on the straight-line method, using the rates specified in Schedule XIV to the Companies Act, 1956, except in the case of shuttering and scaffolding items where the estimated useful life has been determined as seven years. Assets individually costing less than ₹ 5,000 are fully depreciated in the year of purchase.

**i. Borrowing Costs**

Borrowing costs that are attributable to the acquisition and/or construction of qualifying assets are capitalized as part of the cost of such assets, in accordance with Accounting Standard 16 – “Borrowing Costs”. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the profit and loss account as incurred.

**j. Advertisement and Promotional expenses**

Advertisement and promotional costs in respect of projects currently being developed and for general corporate purposes are expensed to the profit and loss account as incurred.

**k. Impairment of Assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

**l. Cash and cash equivalents**

Cash comprises cash on hand and balances with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into cash and which are subject to insignificant risks of changes in value.

**m. Inventory**

Inventory comprises raw materials used for the construction activity of the Company. Raw materials are valued at the lower of cost and net realizable value with the cost being determined on a ‘First In First Out’ basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and costs required to make the sale.

**n. Foreign currency transactions****(a) Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the respective transaction.

**(b) Conversion**

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange differences arising on a monetary item that, in substance, form part of company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as expenses.

## ***o. Leases***

### *Finance Leases*

Assets acquired on lease which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the assets, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalized.

If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

### *Operating leases*

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term.

## ***p. Employee benefits***

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 Employee Benefits "AS 15".

### *Provident fund*

The Company contributes to the statutory provident fund of the Regional Provident Fund Commissioner, in accordance with Employees provident fund and Miscellaneous Provision Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which the employee renders services.

### *Gratuity*

Gratuity is a post employment benefit and is a defined benefit plan. The liability recognized in the balance sheet represents the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets (if any), together with adjustments for unrecognized past service costs. Independent actuaries using the projected unit credit method calculate the defined benefit obligation annually.

Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are credited or charged to the Profit and loss account in the year in which such gains or losses arises.

### *Vacation pay*

Liability in respect of vacation pay becoming due or expected to be availed within one year from the balance sheet date is recognized on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of earned leave becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of actuarial valuation in a manner similar to gratuity liability.

### *Other short-term benefits*

Expense in respect of other short-term benefits including performance bonus is recognized on the basis of amount paid or payable for the period during which the employees render services.

## ***q. Stock based compensation***

The Company accounts for stock based compensation based on the intrinsic value method. Option discount representing the excess of the fair value or the market value of the underlying shares at the date of the grant over the exercise price of the option is amortized on a straight-line basis over the vesting period of the shares issued under the Company's Employee Stock Option Plan (ESOP).

## ***r. Taxes on income***

Tax expense comprises both current and deferred taxes. The current charge for income taxes is calculated in accordance with the relevant tax regulations. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realized.

**s. Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential equity shares.

**t. Provisions and contingent liabilities**

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**2. Group Structure**

The operational subsidiaries and associates consolidated under the Group as at 31 December 2011 comprise the entities listed below:

<b>Name of the Entity</b>	<b>Country of Incorporation</b>	<b>Effective Shareholding</b>
<b>Overseas Subsidiary Companies</b>

As disclosed in note (d) to Schedule 1 to the financial statements, effective April 1, 2011, the Company has adopted an accounting policy for revenue recognition for the sale of undivided share of land (UDS) for new housing projects. The revenue from these qualifying projects where the risks and rewards on the sale of the UDS are separable from the risks and rewards on the construction contract are recognized upon transfer of all significant risks and rewards of ownership of such real estate, in accordance with the terms of the contracts entered into with the buyers, which coincides with the firming of the sales contracts/ agreements and a minimum level of collection of dues from the customer. Consequently, the Company has recorded Revenue and receivables of ₹ 687,758,640 and ₹ 378,308,924 respectively on the sale of such UDS for the quarter ended December 31, 2011. Revenue from the sale of UDS on other housing projects where the risks and rewards on the sale of the UDS are not separable from the construction contracts and therefore do not qualify above, continue to be recognised on the percentage of completion method.

**31 Stock-based compensation**

On 1 July 2006, the members of the Company approved the Puravankara Projects Limited 2006 Employee Stock Option Scheme ('ESOS' or 'the Plan') of the Company. The plan provides for the issuance of stock options to eligible employees (including directors of the Company) with the total options issuable under the Plan not to exceed 1,366,080 options and includes a limit for the maximum and minimum number of options that may be granted to each employee. Under the plan, these options vest over a period of four years and can be exercised for a period of one year from vesting.

The disclosures for the quarter ended 31 December 2011 have been provided below:

The weighted average exercise price for options movement during the quarter ended 31 December 2011 is as follows:

As reported	1.50	1.34
Pro forma	<u>1.50</u>	<u>1.34</u>

The fair value of the options granted is determined on the date of the grant using the Black-Scholes option pricing model with the following assumptions:

Dividend yield %	1.58%	1.58%
Expected life	33 to 63 months	33 to 63 months
Risk free interest rate	7.41% to 7.50%	7.41% to 7.50%
Volatility	1.58%	1.58%

**32 Stock-based compensation**

On 1 July 2006, the members of the Company approved the Puravankara Projects Limited 2006 Employee Stock Option Scheme ('ESOS' or 'the Plan') of the Company. The plan provides for the issuance of stock options to eligible employees (including directors of the Company) with the total options issuable under the Plan not to exceed 1,366,080 options and includes a limit for the maximum and minimum number of options that may be granted to each employee. Under the plan, these options vest over a period of four years and can be exercised for a period of one year from vesting.

The disclosures for the nine months ended 31 December 2011 have been provided below:

The weighted average exercise price for options movement during the nine months ended 31 December 2011 is as follows:

	<b>31 Dec 2011</b>	<b>31 Dec 2010</b>	<b>Weighted average exercise price</b>
	<b>Shares arising out of options</b>	<b>Shares arising out of options</b>	<b>₹</b>
	<b>(Numbers)</b>	<b>(Numbers)</b>	
At the beginning of the nine months	193,200	483,000	465.86
Granted during the nine months	-	-	-
Forfeited during the nine months	-	289,800	-
Lapsed during the nine months	193,200	-	-
Cancelled during the nine months	-	-	-
Exercised during the nine months	-	-	-
At the end of the nine months	<u>-</u>	<u>193,200</u>	<u>465.86</u>
Exercisable at the end of the nine months	<u>-</u>	<u>193,200</u>	<u>465.86</u>

Had compensation cost been determined in a manner consistent with the fair value approach as prescribed under the fair value method, the Group's net profit and earnings per share as reported would have been adjusted to the pro-forma amounts indicated below:

	<b>9 months ended</b>	<b>9 months ended</b>
	<b>31 Dec 2011</b>	<b>31 Dec 2010</b>
	<b>₹</b>	<b>₹</b>
Net profit, as reported	896,811,816	1,010,324,228
Add: Stock-based employee compensation expense included in the Profit and loss account	-	-
Less: Stock based employee compensation expense determined under the fair value method	-	5,727,592
Proforma net income	<u>896,811,816</u>	<u>1,004,596,636</u>
Earnings per share – Basic		
As reported	4.20	4.73
Pro forma	4.20	4.70
Earnings per share – Diluted		
As reported	4.20	4.73
Pro forma	<u>4.20</u>	<u>4.70</u>

The fair value of the options granted is determined on the date of the grant using the Black-Scholes option pricing model with the following assumptions:

Dividend yield %	1.58%	1.58%
Expected life	33 to 63 months	33 to 63 months
Risk free interest rate	7.41% to 7.50%	7.41% to 7.50%
Volatility	1.58%	1.58%

**33 Leases**

*Properties taken on operating lease*

The lease expense for cancellable and non-cancellable operating leases was ₹ 15,830,436 and ₹ 33,850,043 for the quarter and nine months ended 31 December 2011 respectively and ₹ 7,616,502 and ₹ 23,266,331 for the quarter and nine months ended 31 December 2010 respectively. Lease commitments under the non-cancellable operating leases as at the Balance Sheet date were as follows:-

Particulars	31 Dec 2011	31 Dec 2010	31 Mar 2011
	₹	₹	₹
a) Within one year	31,764,128	1,362,130	1,925,603
b) Within one to five years	55,901,414	1,550,299	1,208,419
Total	<u>87,665,542</u>	<u>2,912,429</u>	<u>3,134,022</u>

*Sublease*

The Company has sub let one of the properties under a non cancellable operating lease agreement. Lease income was ₹ 362,576 and ₹ 4,885,533 for the quarter and nine months ended 31 December 2011 respectively and ₹ 1,354,258 and ₹ 8,541,532 for the quarter and nine months ended 31 December 2010 respectively.

**34 Other commitments and contingencies**

a) Demand from Service Tax Department	46,430,204	17,100,000	46,430,204
b) Demand from Commercial Tax Department	42,016,533	22,322,464	22,322,464
c) Deduction under Section 80 IB of the Income tax act, 1961	143,435,920	-	132,167,877
d) Company's share of claims not acknowledged as debts of associates	<u>46,942,000</u>	<u>-</u>	<u>56,350,000</u>

The Company has claimed deduction under section 80 IB of the Income tax act, 1961 on two projects based out at Cochin. The time limit specified by the cited section above for completing the two projects was 31 March 2011. However, the Company was not able to complete the same within the prescribed time limit primarily on account of a court stay in one of the projects and the poor state of reclamation of the land in the other. Based on a legal opinion obtained on the above, the management believe that the deduction under the cited section above will not be denied.

The Company is also involved in certain litigation for lands acquired by it for construction purposes, either through a Joint Development Agreement or through outright purchases. These cases are pending with the Civil Courts and scheduled for hearings shortly. After considering the circumstances and legal advice received, management believes that these cases will not adversely effect its financial statements.
